EXPERIENCE

Internship — Graphic Department
08/2024 – 10/2024

Nomina SRLS

Created social posts, flyers and posters for small local businesses. Designed custom graphic materials for Henri Restaurant and the Universo Corto festival. Worked independently on deliveries, incorporating periodic feedback from the creative director.

Printmaker
2024

Anarkiss — anarkisszine.com

Published a socially impactful woodcut print in an independent magazine. Developed an original visual project combining artistic research and communicative message.

Civil Service — Press Office
12/2023 – 02/2024

Municipality of Lecco

Managed social media communication for municipal events and calls on Facebook and Telegram. Created informative graphics and copy for citizens. Supported content distribution for the Cittadini connessi nei Comuni lombardi project.

Cultural Event Organizer
03/2023 – 05/2023

The Factory · Consorzio Consolida

Handled graphic communication for cultural events on anti-mafia awareness. Collaborated on operations for public initiatives aimed at an adult audience. Supported the presentation of the book Centoventisei in a cultural and social context.

Freelance Designer & Illustrator
2019 – 2022

Poster House Lecco

Created around 100 illustrations of the Lecco area and other Italian locations. Adapted illustrations for gadgets, planners and materials sold in-store and online. Developed visual projects for tourists and residents focused on local identity.

EDUCATION

Project Management with AI
05/2026 – 06/2026

Epicode — Professional course

Project management methodologies (Waterfall, Scrum) using Notion, Jira, Asana and Trello. AI integration with Gemini and NotebookLM.

Master in Digital Graphic Design
2023 – 2025

eCampus University — Digital School

Digital marketing, social media, new media and UX/UI design.

Academic Diploma in Fine Art Graphics
2018 – 2023

Brera Academy of Fine Arts, Milan

Traditional techniques, anatomy, drawing and art history. Specialization in woodcut. Photoshop for digital work and post-production.

Art High School — Graphics
2013 – 2018

Liceo Medardo Rosso, Lecco

Projects for Confcommercio and the Municipality of Lecco: asbestos booklet, 3D printing, stop-motion for Villa Manzoni.
